

## About Us

Muslim Hands was established in 1993 after a community's effort to send aid to those suffering in the Bosnian conflict. The number of countries we worked in soon grew rapidly – within 5 years Muslim Hands was distributing food, medicine and clothes in Bangladesh, Afghanistan, The Gambia and Pakistan. Alhamdulillah, we are currently working in over 50 countries worldwide to help those affected by natural disasters, conflict and poverty.

Through striving to provide a transparent and efficient service, we have earned the trust and support of thousands of donors. With your sponsorships, we will continue to help communities in the developing world break out of poverty and remain committed to this goal, insha'Allah.

Use this form to collect details of your sponsors and your sponsorship money. Or why not consider creating an online sponsorship page? Some people use both methods to make sure they reach as many people as possible.

Together, we can address the short term needs and tackle the long term issues to alleviate poverty.

## Handling Sponsorship Money

## Fundraising Online

Creating an online sponsorship page can save you hours of asking for donations and collecting sponsorship money. You can Facebook it, Tweet it, Email it or text it – an online fundraising page is one of the easiest ways to raise funds for your chosen cause. Simply register for a JustGiving account at [www.justgiving.com/muslimhands](http://www.justgiving.com/muslimhands) and follow the step-by-step instructions on how to create your very own page, where you can set a target, upload photos and write a personal message.

## Gift Aid

Gift Aid allows you to increase the value of your donations by 25% at no extra cost to you. Gift Aid is a scheme that gives tax relief on money donated to UK charities. When a UK taxpayer makes a donation, Muslim Hands can reclaim the tax to increase the value of a donation. At the moment, the Revenue & Customs boosts the donations by 25%. This means that if somebody donates £100 and their donation is eligible for Gift Aid, Muslim Hands receives £25. However, Muslim Hands cannot get this extra 25% without a Gift Aid declaration given by the donor. This may be subject to change, as per HMRC guidelines.

## How Do I Get Involved?

Muslim Hands would not be where we are today without the tireless efforts of our many volunteers across the UK and worldwide. Not only is volunteering vital to our success, but it can also be incredibly rewarding for you.

Anyone can volunteer for Muslim Hands. You might have specific skills you want to use for a good cause, or you may find you have some time you can dedicate towards helping.
