FUNDRAISING GUIDE

MAKING A DIFFERENCE TO THE CHILDREN OF MALAWI

Muslim Hands established a School of Excellence in Malawi in 2012, which is currently providing over 200 orphan and needy children access to a free education. With existing facilities in urgent need of development and a growing number of children from the local community out of education, your funds will help to make a massive difference in giving more children a chance to an education and creating a healthier learning environment.

PAINTING THE SCHOOL

We will be bringing a splash of colour to the school building, to create a vibrant learning atmosphere.

CREATING A NEW PLAYGROUND AND GARDENING PROJECTS

With a lot of land surrounding the school, we will be forming a new play area for the students and building gardening projects, to benefit the local community.

BUILD NEW CLASSROOMS AND LIBRARY

We will be building 4 new classrooms, a library and restoring the existing school furniture and equipment.
